# 大学のグループを探します

国別になっているので、

Select with your institution's  
group のプルダウンを押して

Japan (GakuNin) Federation

を探して選択します。

The screenshot shows the Royal Society of Chemistry website's login interface. At the top, there is a navigation bar with links for Home, Publishing, ChemSpider, Education, Community, News, and More..., along with a search bar. The main heading is "Log in via your home Institution". Below this, there is a section titled "Please choose the relevant group for your institution" which contains a dropdown menu. The dropdown menu is open, showing a list of federations. The "Japan (GakuNin) Federation" is highlighted with a blue background and a red circle. A green callout box with the word "HERE" in white capital letters points to the "Japan (GakuNin) Federation" entry. Other federations listed include Australia, Austria, Brazil, Canada, China, Czech Republic, Denmark, France, Germany, Hungary, India, Ireland, Italy, Netherlands, New Zealand, OpenAthens, Portugal, and Slovenia. To the right of the dropdown menu, there is a "Log in via your home institution (Shibboleth)" button and a note: "You have been provided to you by your librarian. If you are using another method than Shibboleth, please select one of our other login options". At the bottom of the page, there is a footer with links for About us, Working for us, Press office, Terms of use, Privacy & cookies, Accessibility, Help, and Contact.

# HIROIN IDを入力

弘前大学のロゴマークのあるこのページで、User NameとPasswordに皆さんのHiroin IDとそのパスワードを入力し、Loginを押します。（弘大メールやTeamsを使うときの@マークの前とそのパスワードです。）

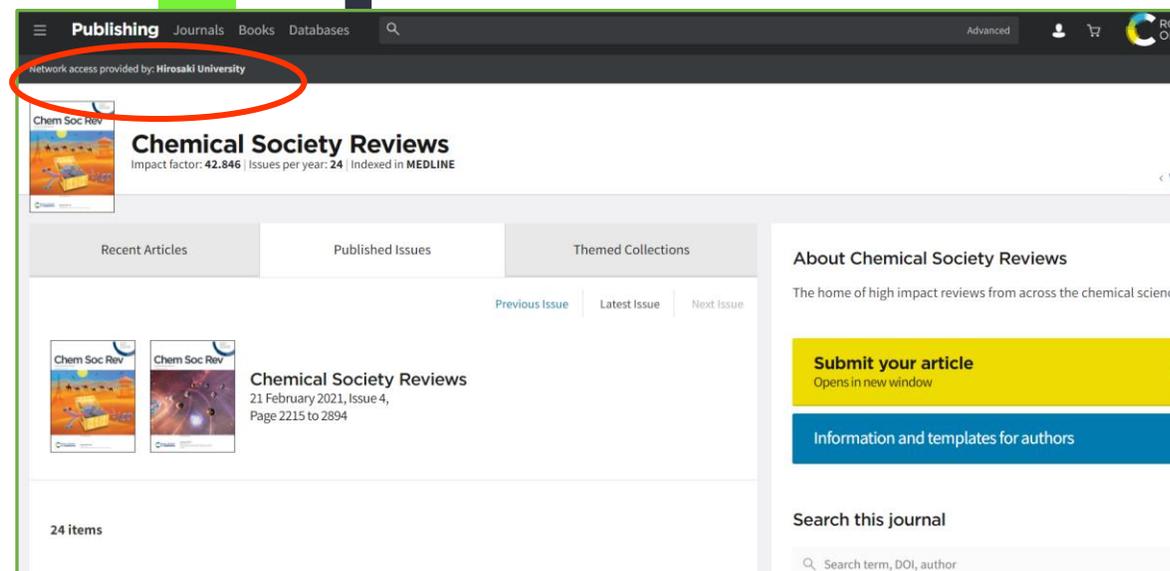

The image shows two screenshots of a login page. The top screenshot is the main login page for Hiro University, featuring the university's logo and the text 'HIROSAKI UNIVERSITY'. It has fields for 'Username' and 'Password', a 'Login' button, and links for 'Forgot your password?' and 'Need Help?'. A red circle highlights the Username and Password fields. A green speech bubble points to the Username field with the text 'Hiroin IDの@マークの前とそのパスワードです！'. The bottom screenshot is a smaller version of the login page, showing the 'Username' field with the text 'oyamak' and the 'Password' field with dots. A green speech bubble also points to the Username field with the same text. A grey box labeled 'Insert your footer' is visible between the two screenshots.

Chemical Society Reviews

**Harnessing the power of transition metals in solid-phase peptide synthesis and key steps in the (semi)synthesis of proteins**

Shay Laps, Gandhesiri Satish and Ashraf Brik

Author affiliations

**Abstract**

Peptides and proteins can be either synthesized using solid-phase peptide synthesis (SPPS) or by applying a combination of SPPS and ligation approaches to address fundamental questions related to human health and disease, among others. The demand for their production either by chemical or biological methods is increasing.
